Features & Benefits

- Magnetic glass writing surface supports presentations, planning and collaboration.
- 12 mm SANA acoustic backing helps reduce noise in busy shared environments.
- Pinnable acoustic surface provides additional display functionality.
- Dual-purpose design combines a glassboard and acoustic screen.
- Lockable castors support easy repositioning and stable placement.
- Freestanding format avoids permanent wall installation.
- White glass finish suits contemporary office interiors.
- Compatible with standard dry erase markers.
- **Super Strength magnets should be used for reliable magnetic performance on glassboards.**

Sales Summary

A mobile magnetic glassboard with pinnable acoustic backing, combining writable presentation space, sound absorption and flexible mobility for offices, meeting rooms and collaborative environments.
